THE SCHOOL

Founded in 2001, TED Bursa College is a co-educational private school of 921 students operating under the jurisdiction of The Turkish Ministry of Education. TED Bursa College became an authorized IB World School in 2006.

THE STATEMENT OF PURPOSE

TED College's missions are to provide an educational atmosphere and use contemporary teaching methods. TED Colleges establish schools offering education in Turkish and foreign languages and provide housing for students. We educate highly qualified students and support the education of successful students with financial need by providing countrywide scholarship. We create scientific platforms to take Turkish educational standards to contemporary levels. TED Schools conduct Research Projects to raise social awareness regarding problems and solutions for the existing system of education and take an active role in the formulation of Turkish education policy.

THE CURRICULUM

Our academic program follows a university curriculum with an intensive English focus. Mathematics and Sciences courses are taught in English in Turkish cultural subjects are taught Turkish according to national education regulation. They are 45 instruction periods per week. Students must complete a Turkish Lise Diploma (MEB). A second language of French or German is required in grade 9-10-11-12. TED Bursa College has been offering IB diploma program since 2006. IB students pursue either the Mathematics-Science track or the Turkish-Mathematics track. They choose courses related to their fields in conjunction with the requirements of the National Curriculum.
